

Dear Webster Groves Stamp Club members,

Three weeks ago you all received a printed copy of the proposed new constitution of the Webster Groves Stamp Club.

Since then, the constitutional committee has received some suggestions from the members to make minor grammatical and minor changes in punctuation. These changes have been underlined and put in red in the new constitutional text which is now posted on the internet at Please, read it before voting.

The Webster Groves Stamp Club members will vote to approve this new constitution at the regular Webster Grover Stamp Club meeting on Friday, January 6, 2011 at 8:00 PM. Please vote either in person or by proxy. A copy of a blank ballot appears below.

Your vote is extremely important because according to the constitution a two-third majority is needed for approval (Article 9, section A).

Leo Groenweghe
Chairman of the Constitution Committee
